DESIGN & DEVELOPMENT

ART CONTRACTING CO. LTD DESIGN & DEVELOPMENT

ART CONTRACTING CO. LTD. has built its reputation by offering a new style with innovative approach to become one the leading landscape companies in KSA. Simplicity and total understanding for the function of each project allow our professional designing team to come up with a complete set of site plan providing all kind of solutions for all project tasks, milestones, and activities.

Our designing department has headed by highly talented and experienced personals working with the latest software in the landscaping discipline. All our work would undergo for a series of visual presentation guided by three dimension application helping our potential clienteles to see the complete work before the execution process begins. The following pages, we selected some of our projects to show variety of landscaping designs featuring drive-ways, path ways, pools, water fall, fountains, gazebos, natural stones, grass, trees, plants arrangements, etc.

ANTEEQ TILE

ANTEEQ TILE

ANTEEQ tile is a great artificial tile. Its natural color looks identical to the natural old stone tiles. The diversity of colors, sizes, and shapes suit almost every design and taste.

ANTEEQ tile is widely used in hard landscaping projects: Driveways, Walkways, Parking lots, open spaces, Terraces and much more...

NURSERY

ART CONTRACTING CO., and it is the place where planting seeds, growing plants and trees, preparing all products to meet design specifications before shipping it to its final destination. Moreover, the nursery's engineer devised a special care system for all imported plants and trees to gradually adapt to the local environment.

The nursery has contentiously maintained a large stock not only to supply our projects, but it also involves in selling its stock to the major landscaping companies.

We believe that before planting any plant or tree in our projects, we would like to know all the phases The next set of photos display the overlook of the nursery, green houses, cooling pads, fans, and all kind set of equipments.

MISTING SYSTEMS

Art Contracting Co. Ltd. Is the official dealer in Saudi Arabia for “COOLLINE® ” the world’s leading misting systems manufacturer. Art Contracting Co. Ltd. HAVE HONOR TO DESIGN & EXECUTION OF FULLY AUTOMATIC MISTING SYSTEMS ON JAMARAT BRIDGE (MAKKAH) 2010. COOLLINE® products are 100% American made, highest quality portable mist fans, Outdoor Cooling Fans, Patio Mist Systems, Mist Nozzles, Pressure Pumps, and Components for Indoor and Outdoor Cooling, Industrial Cooling, Dust Control, Odor Control, Humidity Control or Special Effects.

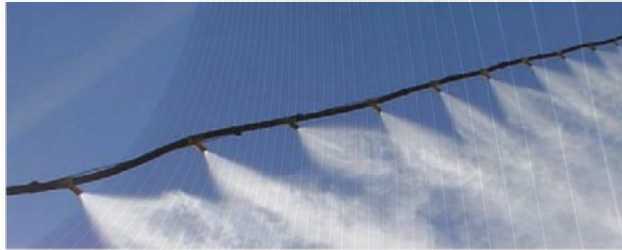

RESIDENTIAL

Many people are unable to enjoy their patio or yard areas during the heat of the summer. Pets and plants suffer due to intense heat. Customers say their lifestyles have been changed completely by outdoor cooling (misting system). They are no longer "trapped" inside their homes. Pets and plants are healthier. Now you can enjoy the outdoors year round.

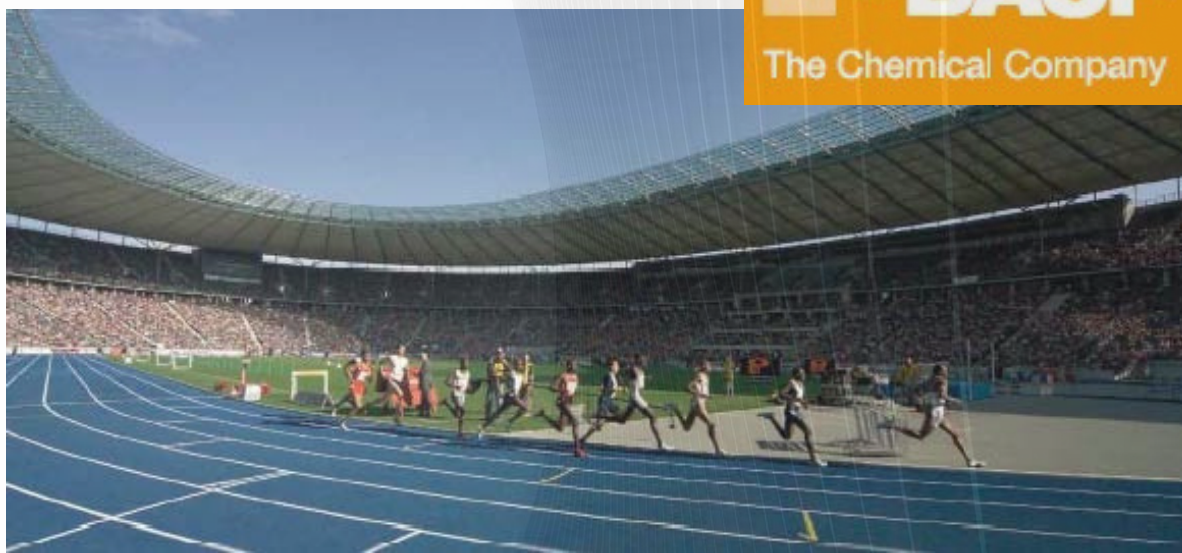

When temperatures rise into the 90's and above, patio dining and outside bar areas become uninhabitable money losers. A COOLLINE system can turn that space into a comfortable and profitable retreat.

Commercial & PUBLIC

Create a safer and more productive working environment. Cooling employees, equipment and processes can lead to happier employees and big profits. Cooler workers are safer and more productive. Cooler machines last longer and can produce more. Many processes that need cooling can be speeded up using mist cooling.
